

Faith and Light Update March 2021

The all-praised and valorous one among the New Martyrs, and the God-inspired root of Aitolia, let us hymn Kosmas, crying out with one voice: Through your intercessions before the Compassionate One, guide the works of those who honor you.

Faith and Light Fund Progress

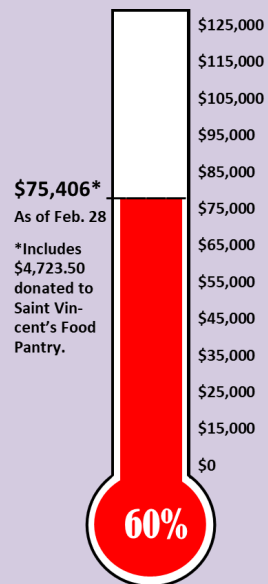

Steady progress toward our goal continues!

Thank you to all who continue to generously support the Faith and Light of our Church. We are encouraged by the love shown through the offerings of treasure, talent, and time in support of our Income Generation Plan. Through the efforts of many we are now at the 60% mark.

After review of our progress, financial outlook, and consideration of the pandemic-related uncertainties, the Faith and Light Committee and Parish Council decided to stay with the original fundraising goal of \$125,000. However, the committee does anticipate the opportunity to extend the time needed to achieve this goal. At the beginning of April, first-quarter financials will be reviewed and used as a basis for setting a possible new target date.

This Spring will show an uptick of fundraising event activity. Read on to learn more!

Stewardship 2021

*Put your hope in God, who richly provides us with everything for our enjoyment. Do good, be rich in good deeds, and be generous and willing to share. In this way you will lay up treasure for yourselves as a firm foundation for the coming age and take hold of the life that is truly life."
(1 Timothy 6: 17-19)*

"...the greatest of these is love." Our stewardship commitments for 2021 continue to reflect the abundance of love within our parish. These are beautiful expressions of faith and love in your offering of time, talent, and treasure to our parish.

Fundraising Committee

Preparations are underway for our first **Food-to-Go** event in April!

We are taking a *TEST, LEARN, GROW* approach to this new way of sharing our unique food specialties and hospitality to our community. With this in mind, the first Food-to-Go event will focus on serving a limited Lenten menu to our Parish community. You can help in this endeavor by volunteering your time, or placing a food order during the event and helping us to learn and grow in preparation for larger, community-wide offerings down the road. More details on how to participate and order will be sent via-email in the coming days.

We continue to explore and welcome new, creative, pandemic-friendly activities. If you have an idea, we invite you to share it with us...or better yet, join the team as an organizer or support volunteer! To put these ideas into action we will need the support of many!
