Dear Chris,

Thank you for investing in the Catholic Charities and St. Vincent's programs with a \$4,723.50 gift on 1/25/2021. Your gift to Catholic Charities of Northern Nevada makes it possible to support the most vulnerable members of our community through our St. Vincent's programs. When our clients come to us, they are feeling hopeless, nervous, fearful and broken with nowhere else to turn.

In times of turmoil, we must come together as a community and help those in need. Because of your generosity, Catholic Charities of Northern Nevada is able to provide support through our Resource Hub, Food Pantry and Dining Room. Your gift from the heart is truly changing someone's life.

Phil is 36 years old and lives with his stay at home wife and three kids He was laid off from his job in March and they were able to live off of their savings until now. He secured a new job as a purchasing agent. We helped them with their May rent and they are able to stay in their home.

100% of your contribution is used to benefit individuals and families across Northern Nevada. On behalf of those who rely on us, again, thank you for your generosity.

In gratitude,

Marie Baxter M.Ed., CFRE
Chief Executive Officer
