

Faith and Light Update June 2021

The all-praised and valorous one among the New Martyrs, and the God-inspired root of Aitolia, let us hymn Kosmas, crying out with one voice: Through your intercessions before the Compassionate One, guide the works of those who honor you.

Faith and Light Fund Progress

Our Faith and Light Shines Bright!

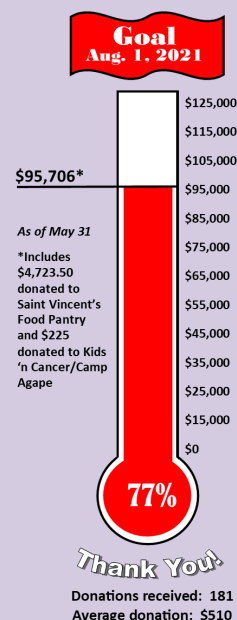

We are in a season of light and renewal--something we can feel within and around us. Through God's grace we have made positive strides in expanding access to worship and restoring parish life. We experienced a wonderful day of fun and fellowship at the Annual Tyler and Althea Memorial Golf Tournament last week and have recently passed the 75% mark in reaching our Faith and Light goal!

We are also in the midst of a donation-matching period made possible through the gift of a generous parishioner. All Faith and Light donations received through this Sunday, Pentecost (June 20) will be matched dollar for dollar, up to \$5,000. This means if you give today, you will double your impact!

Glory to God for the care and blessings He continues to grant us! By coming together in worship and support of our beloved parish and its ministries, we strengthen our foundation--now and for generations to come!

God is able to make all grace abound to you, that you, always having sufficiency in all things, may have an abundance for every good work.

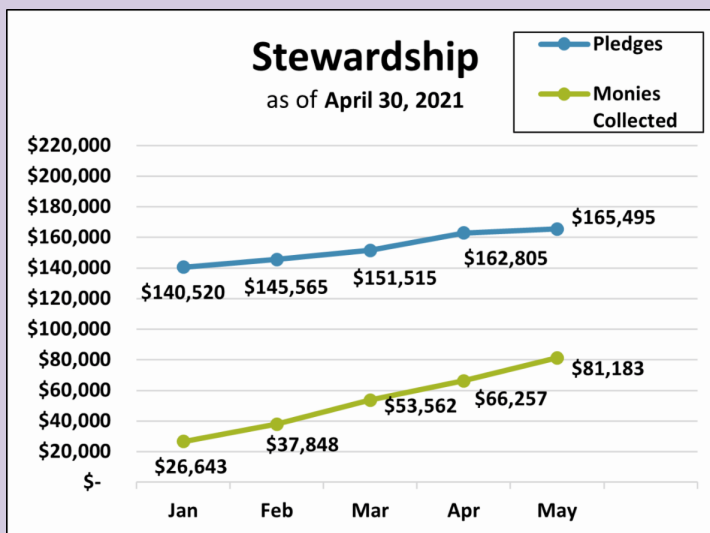

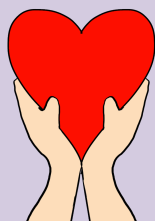

2Cor 9:8

Stewardship 2021

Put your hope in God, who richly provides us with everything for our enjoyment. Do good, be rich in good deeds, and be generous and willing to share. In this way you will lay up treasure for yourselves as a firm foundation for the coming age and take hold of the life that is truly life."
(1 Timothy 6: 17-19)

"...the greatest of these is love." Our stewardship commitments for 2021 continue to reflect the abundance of love within our parish. These are beautiful expressions of faith and love in your offering of time, talent, and treasure to our parish.

Fundraising Committee

Thank you to all who supported this year's Golf Tournament. It was a wonderful event honoring the blessed memory of Althea Cladianos and Tyler Virden. A very special thank you to Kiki and Trent Virden for all the time, talent, and heart they put into organizing the tournament. The smiles, laughs, and love that abounded at this event are the true indicators of its success. The funds raised will benefit our Saint Anthony Parish and the MD Anderson Leukemia Foundation. We are still in the process of completing the financial report which will be shared in our next update.

Golfers line up for the the Annual Tyler and Althea Memorial Golf Tournament on June 7. Organizers Trent and Kiki Virden with Father Stephen Karcher.

A second **Food-to-Go** event is planned for July. The goal is to build upon the lessons from our first event and expand our reach. Additional organizing assistance will be needed. If you are interested in getting involved in this way, please contact the church office.

Putting ideas into action takes the collective efforts of many!
