*The mission of the Saint Anthony Greek Orthodox Church Religious Education Program is to help students foster a closer relationship with our Lord and Savior Jesus Christ. The Religious Education staff will interactively teach the Orthodox Faith and partner with parents and family to help shape the Orthodox values of their children. Students will be encouraged to live their faith by learning their faith, supporting the church, volunteering their time, talents, and treasure as good stewards in fellowship, and developing close, lasting relationships through which they can support one another in their lifelong journey with Jesus Christ.*
